

Smart Business Security Camera

100% Wire-Free, Easy Installation, Seamless Security

Keep an eye on your dealership from anywhere

Arlo is a smart, modern take on video security for your dealership. Arlo provides a complete system of HD cameras, secure cloud storage and intuitive mobile apps to deliver a seamless experience for monitoring what matters most - your high priced inventory. Recordings are securely sent to the cloud for storage and easy access from your mobile device.

Every angle covered

From the showroom to the back lot you'll have eyes everywhere, even when you aren't.

Keep tabs on your inventory

Prevent theft and vandalism by monitoring your operations 24/7.

Safety first

Ensure a safe environment for customers and employees.

Eyes in dark spaces

From the service bay to the hood of a car, night vision on Arlo cameras makes monitoring difficult spots a snap.

Learn your customer

Get valuable analytics about how customers shop when you're not there.

End false claim suits

You'll have record of what happened and when.

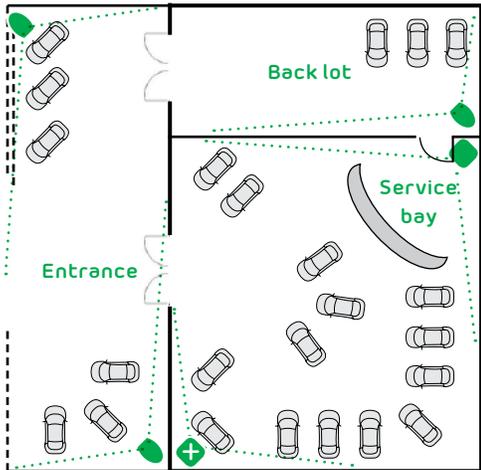

Smart Business Security Camera

100% Wire-Free, Easy Installation, Seamless Security

Why Choose Arlo?

Arlo understands dealerships. You don't have a huge IT team and a big budget, but that doesn't mean you can't protect your business like you mean it. Installing fake cameras may look the part, but they aren't helping to protect your bottom line. Arlo makes it easy and affordable to keep your business secured around the clock.

- Easy to install, small equipment size, no back room to maintain.
- Free mobile and web apps so you can monitor your business from anywhere.
- Easily move cameras to new locations based on your needs, with our innovative mounts.
- No DVRs or tapes to maintain or risk damaging. Recordings are instantly stored in the cloud, so you have the evidence you need.
- More affordable than traditional security systems.
