Construction

## Watch your job sites from anywhere

Arlo is a smart, modern take on video security for your business. Arlo provides a complete system of HD cameras, secure cloud storage and intuitive mobile apps to deliver a seamless experience for monitoring what matters most - your job sites. Recordings are securely sent to the cloud for storage and easy access from your mobile device.

### **Every angle covered**

From your tool chest to the building materials you'll have eyes on everything, even when you aren't there.

### **Eyes on your job sites**

Prevent theft and vandalism by monitoring your operations 24/7.

### **Safety first**

Ensure safe working environments for employees at every site.

### **The best night watchman**

Use the Arlo app to check on things anytime after-hours without leaving the comfort of your couch.

### **Take count of every delivery**

See exactly what is delivered - never get shorted on supplies again.

### **See every movement**

Know anytime someone walks onto the job site - day or night.

# Arlo Pro Smart Business Security Camera For Construction

## Why Choose Arlo

Arlo understands construction. You may not have an IT team or big budgets, but that doesn't mean you can't protect your job sites. Arlo makes it easy and affordable to keep your business secured around the clock.

- Easy to install, small equipment size, no back room to maintain.
- Arlo Smart analytics identify people, cars, animals and swaying trees, allowing Arlo cameras to record and alert only those events that matter.
- Easily move cameras to new locations based on your needs, with our innovative mounts.
- No DVRs or tapes to maintain or risk damaging. Recordings are instantly stored in the cloud, so you have the evidence you need.
- More affordable than traditional security systems.
